WORK EXPERIENCE

Tomomono Design

2025 - Present

I design **notebooks** and manage the **brand's visual identity**. I created a **mascot** for the brand, which I use to produce **animations** for notebook and product-related content. I also create mockups of their products.

Los drudels

2025 - Present

I create **AI-generated mockups** of their products for social media. I also produce designs based on provided illustrations for social media, products, and their online store.

Son Todas Suposiciones Taller

2025 - 2026

I created **mockups** of their products for social media and refined the logo for use across social platforms.
