WORK EXPERIENCE

Tomomono Design

2025 - Present

I design **notebooks** and manage the brand's **branding**. I drew a **mascot** for the brand, which I use to create **animations** for notebook publications and other products. I also create **mock ups** of their products

Los drudels

2025 - 2026

I create **AI mock ups** of their products for social media. I also produce designs from provided illustrations, for social media, products, and their online store.

Son Todas Suposiciones Taller

2025 - 2026

I created **Mock Ups** for their products on social media. I also fixed the logo for social media use

Oncovida

2026 - Present

I create **reels** with client material, stock images and videos, and **cloned voices** using AI.
